**Hobbies/Activities:** Sailing sloop, racquetball, scuba diving, classic auto. restoration, photography, cinematography, and active investor in the S&P and NASDAQ markets.

### **Highlights in your life:**

- \* Since I graduated from High School at Pennsylvania School for the Deaf (PSD) about three decades ago in 1970 and had held positions as a former class President and a valediction in behalf of my wonderful PSD classmates and chums, I did not realize that there were better things to come in life. Constructively, in a sense, at my graduation, I was given a pair of huge wings to take off solo and was thrilled to meet new Gally friends at my next traffic stop.
- \* My adventures with Frank Tripson during my habitation at Gallaudet. It was great that I was able to meet new deaf friends who were from different culture, background and needless to mention that we were able to share in time of our needs in friendships, schooling, habitation, entertainment and stimulated weekend distractions and whatnot during my brief stay that summer and fall of 1970.
- \* Beyond my disclosed credentials, I am an independent and practicing paralegal and do provide sailing adventures at the Chesapeake Bay waters during the warm season. Someday, if I still have any flames left in my spirit, I might go all the way and try to get a law degree, if time permit.
